DETAILED ACTION

Response to Amendment

This Office action has been issued in response to amendment filed 22 August 2005. Claims 8-12, 21-23, and 29-30 are pending. Applicants' arguments have been carefully and respectfully considered, and they are persuasive.

Allowable Subject Matter

Claims 8-12, 21-23, and 29-30 are allowed, and hereby renumbered 1-10, respectively.

The following is an examiner's statement of reasons for allowance:

With respect to independent claims 8, 21, and 29, now renumbered 1, 6, and 9, respectively, the claimed amplification occurring in response to a read operation is not taught or suggested by the cited prior art of record, as argued in the instant remarks, for example, at the bottom of page 2. Claims 9-12, 22-23, and 30, now renumbered 2-5, 7-8, and 10, respectively, depend upon the instant claims, and are allowed for at least the reasons set forth supra with respect to same.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
